# DEAR READER,

Senior nights can be very emotional for the athlete and parents. For many, this will be the last time they will ever play this sport. We would love to help make this event a special night. Our balloon arches and columns are perfect for this once-in-a-lifetime photo opportunity.

Here are a few tips for making your senior night memorable.

- Recruit Junior parents to facilitate the senior night.
- Order balloons for the traditional last walk across the field or court.
- Order flowers for senior moms.
- Recruit a volunteer photographer.
- Have underclassman create posters and banners for each senior.

We can't wait to help make your night one to remember!
